

3477 Bano wall mounted toilet brush

bilde mangler

3477 Bano wall mounted toilet brush

The toilet brush holder is attached to the wall so that it doesn't get in the way of the residents or the carers when they are moving around in the bathroom. The toilet brush holder is extra high to keep the brush in place. The holder is mounted on the wall for easy access to the floor while cleaning. Easily detached from the wall.

Materials

- Toilet brush: polypropylene plastic
- Holder: ABS
