5596 Bano bathroom shelf

Bano's products details have been manufactured to a holistic design to ensure that all components match in the bathroom.

The movable shelves can be placed horizontally on the shower pole or grab bar. This ensures that no holes need to be drilled into the wall.

Bano bathroom shelf is spacious to hold toiletries and a toilet bag. Shower shelf has room for both shampoo and conditioner. Adequate water draining ensures good hygiene.

Materials

- Shower self / bathroom self: Nylon
